

MASTER ICFP 2nd Year - Calendar 2020-2021 - 2nd Semester
(Exams: Mar, 29th to Apr, 2nd)

Monday AM	Tuesday AM		Wednesday AM	Thursday AM	Friday AM
Spin Physics March, 29th (morning) ORAL EXAM 23.24.104	Turbulence March, 29th (morning) ORAL EXAM room L367 + GH 222		Quantum Optics in Condensed Matter March, 31th (morning) ORAL EXAM in remote mode	Advanced statistical field theory WRITTEN EXAM 9.00am - 12:00pm room L382 + L369 Covid 19 alternative examination	Machine Learning CONTINUOUS ASSESSMENT
Quantum Information 9.00am - 12.00pm WRITTEN EXAM room L367 + L363 Covid 19 alternative examination	Differential Geometry and Gauge Theory WRITTEN EXAM 09:00 am 12.00pm Covid 19 alternative examination room L382/384		Introduction to Classical and Quantum Integrability March, 31th (morning) ORAL EXAM Room L361	Rheology of Complex Fluids WRITTEN EXAM 9.00am - 12.00pm room L363 Covid 19 alternative examination	Numerical Methods for Fluid Dynamics ORAL EXAM in remote mode
Cosmology March, 29th (all day) ORAL EXAM Covid-19 alternative examination rooms L361 (morning) + L363 (afternoon)	An Introduction to Topological Order CONTINUOUS ASSESSMENT		Complex Systems: from Physics to Social Sciences WRITTEN EXAM 9.00am-12.00pm room L367 + L357 Covid-19 alternative examination	Quantum Transport and Mesoscopic Physics April, 1st (morning) ORAL EXAM 23.24.207 23.24.205 23.24.203	Waves Dynamics in Disordered Media and Localization Phenomena WRITTEN EXAM 9.00am - 12.00pm ENS room L367 Covid-19 alternative examination
				Particle Physics: the Standard Model April, 1st (morning) ORAL EXAM room L367	System biophysics April, 2nd From 09:00am ORAL EXAM in remote mode
Monday PM	Tuesday PM		Wednesday PM	Thursday PM	Friday PM
Brownian Motion and Stochastic Processes A TAKE HOME EXAM	Conformal Field Theory March 30th (afternoon) ORAL EXAM Covid-19 alternative examination	Emergent Quantum Materials 2.00pm - 5.00pm ORAL EXAM Orsay campus	Quantum Field Theory II WRITTEN EXAM 2.00pm - 5.00pm room L367 Covid-19 alternative examination	Introduction to AdS/CFT April, 1st (afternoon) + April 2nd (all day) ORAL EXAM room L361 (01/04) + GH 222 (02/04)	Advanced Topics in Quantum Field Theory April, 2nd afternoon ORAL EXAM
Physics of 2D Materials WRITTEN EXAM 1.45pm - 4.45pm room 14.24.105 Covid-19 alternative examination	History of a Dark Universe March 30th (afternoon) ORAL EXAM room L363/365	Physcis of Perception March 30th (afternoon) ORAL EXAM room L367	Soft Solids March 31th (afternoon) ORAL EXAM room L363/365	Introduction to Many Body Physics of Fermions and Bosons April, 1st (afternoon) ORAL EXAM L363 + L382	Quantum physics and condensed matter in advanced technology April 2nd (all day) ORAL EXAM rooms L363/365 (afternoon) + LE115 (morning)
String Theory WRITTEN EXAM 1.45pm - 4.45pm room 55.65.101 Covid 19 alternative examination			Adanced Topics in Markov-Chain Monte Carlo Specific procedure discussed with students	Covid-19 alternative examination	Statistical Physics 2: Disordered Systems and interdisciplinary Applications
Nonlinear, Ultrafast and Quantum Optics March 29th (afternoon) ORAL EXAM	Ultra Cold Atoms March 30th (afternoon) ORAL EXAM room L363 (morning) + L382 (afternoon)		Quantum Machines: Quantum Physics with Electrical Circuits and Mechanical Resonators WRITTEN EXAM 2.00pm - 5.00pm room L357 + L361 Covid-19 alternative examination	Information, Inference, Networks... April, 1st (afternoon) ORAL EXAM room L367	WRITTEN EXAM 2.00pm - 6.00pm Covid-19 alternative examination room L367 + L369

Oral exams scheduled in the face-to-face format will switch to the remote mode in the case of university closing.
